

Toledo East

Polling Area No. 109

Commencing point, the said point having a scaled UTM coordinate of 306277 meters east and 1781248 meters north and being on New Road; thence west to a point having a scaled UTM coordinate of 304442 meters east and 1781237 meters north; thence south to a point having a scaled UTM coordinate of 304442 meters east and 1778462 meters north, the said point being on the coast of the Caribbean Sea; thence northerly along the coast to the southern side of Prince Street; thence north west along the southern side of Prince Street to its intersection with the airstrip; thence south and around airstrip to its intersection with the southern side of New Road; thence north west along the southern side of New Road back to the point of commencement.

The afore described Polling Area No. 109 includes all that area comprising the Southern Section of Punta Gorda Town from prince Street.

Polling Area No. 109A

All that area including Head Caye, Hunting Caye, Wilson, Caye. Man-O-War Caye, Lime Caye and all the Cayes that lies in the Toledo District.

Polling Area No. 110

Commencing at a point, the said point having a scaled UTM coordinate of 304220 meters east and 17783994 meters north and being on the coast of the Caribbean sea; thence west to a scaled UTM coordinate of 302884 meters east and 1778411 meters north; thence

north to a scaled UTM coordinate of 302879 meters east and 1779651 meters north; thence west to a scaled UTM coordinate of 299593 meters east and 1779630 meters north; thence north to a scaled UTM coordinate of 299590 meters east and 1784743 meters north and being on Papishaw Creek; save and except the village of San Felipe and Midway; thence to a scaled UTM coordinate of 298105 meters east and 1785027 meters north and being on the San Felipe Road;

thence southerly along the eastern side of San Felipe road to its junction with the Barranco Village road; thence southerly along the Barranco road to a point on the coast of the Caribbean Sea; thence northerly along the said coast back to its point of commencement.

The afore described Polling Area 110 generally comprising of Amado Creek, Boom Creek along Moho River, Mother Bush Point, Santa Ana and along the new western Punta Gorda Town Boundary.

Polling Area No. 111

Commencing from a point the said point having a scaled UTM coordinate of 307190 meters east and 1782375 meters north and being on the south bank of Joe Taylor Creek, thence south west along a straight line to a scaled UTM coordinate of 306645 meters east and 1781378 meters north; thence west to a scaled UTM coordinate of 306497 meters east and 1781379 meters north; thence south west to a scale UTM coordinate of 306430 meters east and 1781247 meters north; thence west to the south side of New Road having a scaled UTM of 306227 meters east and 1781248 meters north; thence south east along the southern side of the said New Road to its intersection with the airstrip; thence south west and around the airstrip to its intersection with Prince Street; thence south east along the southern side of Prince Street to the Caribbean Sea Coast; thence northerly along the said coast to its confluence of Joe Taylor Creek; thence north easterly along the southern banks of said Joe Taylor Creek back to the point of commencement.

The afore described Polling Area 111 generally comprising the Northern Section of Punta Gorda Town and environs.

Polling Area No. 112

Commencing from a point, the said point having a scaled UTM coordinate of 308162 meters east and 1782859 on the Caribbean Sea coast; thence continue north to a scaled UTM coordinate of 308164 meters east and 1783068 meters north; thence continue west to a scaled UTM point of 307717 meters east and 1783079 meters north; thence south to a scaled UTM coordinate of 307705 meters east and 1782448 meters north located on the Caribbean sea coast; then northerly along the said coast back to the point of commencement.

The afore described Polling Area 112 include all that area comprising Carib Reserve Road, Cattle Landing Village, Crystal Spring Farm, and Little Rock Estate and can be seen on a map at the office of the Chief Election Officer, Elections and Boundaries Department, Belize City.

Polling Area No. 112A

Commencing at a point, the said point having a scaled UTM coordinate of 307692 meters east and 1782842 meters north; thence west to a point having a scaled UTM of 307292 meters east and 1782843 meters north; thence south to a point having a scaled UTM of 307288 meters east and 1782386 meters north, the said point being on Joe Taylor Creek; thence south easterly along the southern bank of Joe Taylor Creek to the Caribbean sea Coast; then north along the sea coast to a point having a scaled UTM

coordinate of 307705 meters east and 1782448 meters north; thence continue north back to the point of commencement.

The afore described Polling Area No. 112A generally comprising Joe Taylor Creek and Hopeville

Polling Area 113

Commencing at a point, the said point being the intersection of the Stann Creek/Toledo District boundary and the coast; thence westerly and northerly along the said district boundary for an approximate distance of 38.3 kilometers to the east bank of Sapote Creek and including the village of San Pablo; thence upstream along said east bank of Sapote Creek for an approximate distance of 8.7 kilometers to its watershed with the Crique Salada; thence downstream along the west bank of Crique Salada for an approximate distance of 11 kilometers to its confluence with the Trio River, and including the village of Trio; thence downstream along the west bank of the Trio River for an approximate distance of 13 kilometers to its confluence with the Bladen Branch of the Monkey River; thence downstream along the west bank of the Bladen Branch of the Monkey River for an approximate distance of 7 kilometers to its intersection with the southern highway; thence north easterly along the eastern side of the southern highway to its junction with Black Creek; thence downstream along the northern bank of Black Creek to its confluence with Monkey River; thence downstream along the northern bank of Monkey River to its confluence with the Caribbean Sea at the Coast; thence northerly along the said coast back to the point of commencement.

The afore described Toledo East Polling Area 113 include the northern portion of the village of Bladen, Swasey Branch of Monkey River, Bella Vista, and Esperanza and can be seen on a map at the office of the Chief Election Officer, Elections and Boundaries Department, Belize City.

Polling Area No. 115

Commencing at a point, the said point being at the confluence of Monkey River and the coast at the Caribbean Sea; thence upstream along the northern side of the Monkey River to its confluence with Black Creek; thence upstream along the northern bank of Black Creek to its intersection with the Southern Highway; thence south westerly along the eastern side of the Southern Highway to its intersection with Deep River save and except the villages of Medina Bank; thence downstream along the northern side of the Deep River to its confluence with the Caribbean Sea at the coast; thence northerly along the said coast back to its point of commencement.

The afore described Polling Area No. 115 generally comprising Monkey River and Punta Negra and all those areas to the northwest of Punta Negra up to the Southern Highway.

Polling Area No. 116

Commencing at a point, the said point being the intersection of the San Felipe/Barranco Road and the coast on the Caribbean Sea, thence north west along the northern side of the said road to its intersection with Moho River; thence upstream along the northern bank of the Moho River to its confluence with Roaring Creek; thence south west along the east bank of Roaring Creek to a point having a scaled UTM of 280823 meters east and 1776056 meters north; thence south east to a point having a scaled UTM coordinate of 282765 meters east and 1772901 meters north, said point being on Sunday Wood Creek; thence down stream along the eastern bank of Sunday Wood Creek to its confluence with Temash River; thence downstream along the northern bank of Temash River to its confluence with the Caribbean Sea at the coast; thence northerly along the said coast back to the point of commencement.

The afore described Polling Area No. 116 generally comprising the villages of Barranco, Consejo Creek, Sunday Wood and Midway Village.

Polling Area No. 117

Commencing at the junction of Savery Branch of the Sarstoon River and the Belize Guatemala International boundary; thence south easterly and downstream along the northern bank of Savery Branch to its confluence with Hiccatee Creek; thence upstream along the northern banks of Hiccatee Creek to its junction with Dolores Road; thence easterly along the northern side of the said road to its intersection with Temash River; thence downstream along the northern banks of Temash River to its confluence with the Caribbean Sea at the coast; thence southerly along the said coast to the North Bank of the Sarstoon River; thence upstream along the said north bank of the Sarstoon River to its intersection with the international boundary between Belize and Guatemala; thence north along the said international boundary back to the point of commencement.

The afore described Polling Area No. 117 generally comprising the villages of Crique Sarco, Sarstoon and Temash .

Polling Area 118

Commencing at a point, the said point being the confluence of the northern banks of Sunday Wood Creek and Temash River, thence upstream along the eastern banks of Sunday Wood Creek to a point having a scaled UTM coordinate of 280823 meters east and 1776056 meters north; thence north westerly to a point having a scaled UTM coordinate of 282765 meters east and 1775901 meters north on the Roaring Creek; thence downstream along the eastern bank of Roaring Creek to its confluence with Moho River; thence upstream along the northern bank Moho River to its intersection with a secondary

road south of the village of Jordan; thence southerly along the eastern side of the said secondary road for an approximate distance of 27.2 kilometers, including the villages of San Lucas, Corazon and Otoxha to its intersection with the northern bank of the Temash River, and save and except the villages of Santa Teresa and Mabilha; thence upstream along the northern bank of the Temash River for an approximate distance of 7 kilometers to the international boundary between Belize and Guatemala; thence southerly along the said international boundary to its intersection with Savery Branch of the Sarstoon River; thence downstream along the northern bank of Savery Branch to its confluence with Hiccatee Creek; thence upstream along the northern banks of Hiccatee Creek to its intersection with Dolores Road; thence east along the northern side of the said road to its intersection with Temash River; thence downstream along the northern bank of Temash River back to its point of commencement.

The afore described Polling Area No. 118 generally comprising Otoxha, Cadera, Corazon Creek, Machoquilla, San Lucas and Dolores.

Polling Area 119

Commencing at a point, the said point being at the confluence of Deep River at the coast with the Caribbean Sea; thence upstream along the northern bank of the said Deep River to its intersection with the Southern Highway; thence southerly along the eastern side of the southern highway for an approximate distance of 29 kilometers to a point, the said point being the intersection of the southern highway and the north bank of the Rio Grande, save and except the villages of Medina Bank, Tambran, Golden Stream, Indian Creek, Hiccatee and Big Falls; thence downstream along the north bank of the Rio Grande to its confluence with Jacinto Creek; thence up stream along Jacinto Creek to its confluence with Papishaw Creek; thence upstream along the south bank of Papishaw Creek to a scaled UTM coordinate point of 299599 meters east and 1784745 meters north, and being on a survey boundary line; thence south along the survey boundary line to a scaled UTM coordinate of 299593 meters east and 1779634 meters north; thence

east to a point having a scaled UTM coordinate of 302879 meters east and 1779651 meters north; thence to a point having a scaled UTM coordinate of 302884 meters east and 1778411 meters north; thence to a point having a scaled UTM coordinate of 304220 meters east and 1778399 meters north, said point being on the coast of the Caribbean Sea; thence along the coast to a point having a scaled UTM coordinate of 304442 meters east and 1778462 meters north; thence north to a point having a scaled UTM coordinate of 304442 meters east and 1781237 meters north; thence east to a point having a scaled UTM coordinate of 306426 meters east and 1781246 meters north; thence north east to a scaled UTM coordinate of 306509 meters east and 1781381 meters north;

thence east to a scaled UTM coordinate of 306655 meters east and 1781391 meters north; thence north east to a scaled UTM coordinate of 307205 meters east and 1782391 meters north and being on Papishaw Creek; thence downstream Papishaw Creek to a point having a scaled UTM coordinate of 307285 meters east and 1782317 meters north; thence north to a point having a scaled UTM coordinate 307292 meters east and 1782842 meters north; thence east to a point having a scaled UTM coordinate of 307685 meters east and 1782843meters north; thence north to a point having a scaled UTM coordinate of 307692 meters east and 1783076 meters north; thence east to a point having a scaled UTM coordinate of 308163 meters east and 1783066 meters north; thence south to a point having a scaled UTM coordinate of 308158 meters east and 1782862 meters north, and being on the coast of the Caribbean Sea; thence northerly along the said coast back to its point of commencement.

The afore described Polling Area No. 119 generally comprising Forest Home, El Dorado Road, El Dorado Estate, Eldridge Estate, Wilson Road, Lester Quarry, Water Hole, and all Settlements on the Punta Gorda San Antonio Road from mile 2 to the line dividing the Toledo West Divisions.
